## ADDITIONAL CORRIGENDUM TO VOL. 105, PART A, 1958

Page 632. Figs. B and C having been inadvertently omitted from Mr. P. H. G. Allen's contribution, the complete contribution has been printed on page 76 of the present volume.

## CORRIGENDA TO VOL. 106, PART A, 1959

Pages 176 and 177. The operator  $j$  has been omitted from the voltage expressions in equation (4). If this is inserted and substitution in eqn. (2) is made, it will be found that the torque is the imaginary part, not the real part, of the bracketed quantity in eqn. (5).
